UNLEASH THE POWER

RS

VTEC TURBO ENGINE

The ALL New Civic 1.5L TURBO grade is equipped with VTEC TURBO charged engine (173 ps @ 5,500 rpm) mated to a responsive Continuously Variable Transmission (CVT) with paddle shifters. Smaller displacement now means more power, thanks to sophisticated TURBO charger. Higher cruising efficiency & robust performance are now the name of the game. Combined with VTEC technology, there is no doubt to the sporting intention of this high grade performance with environment friendly engine.

RS

REMOTE ENGINE STARTER

1.8 i-VTEC

LUXURIOUSLY TAILORED FOR COMFORT

Equipment may vary in some cases.

TECHNOLOGY & OPTIONS

Combining luxury with modish contours, the dashboard offers so much more control and convenience.

Equipment may vary in some cases.

PERFORMANCE

Intelligently efficient technology gives you better all round awareness and safety on road.

1.8L i-VTEC Engine
Feel the power with fuel economy
Max. Power (net): 140 ps @ 6,500 rpm

Continuously Variable Transmission - CVT
CVT gives smooth, stepless and high torque performance

ECO Coaching
The multicolour display indicator helps you to monitor your driving style and gives you real-time updates so you can drive as economically as possible

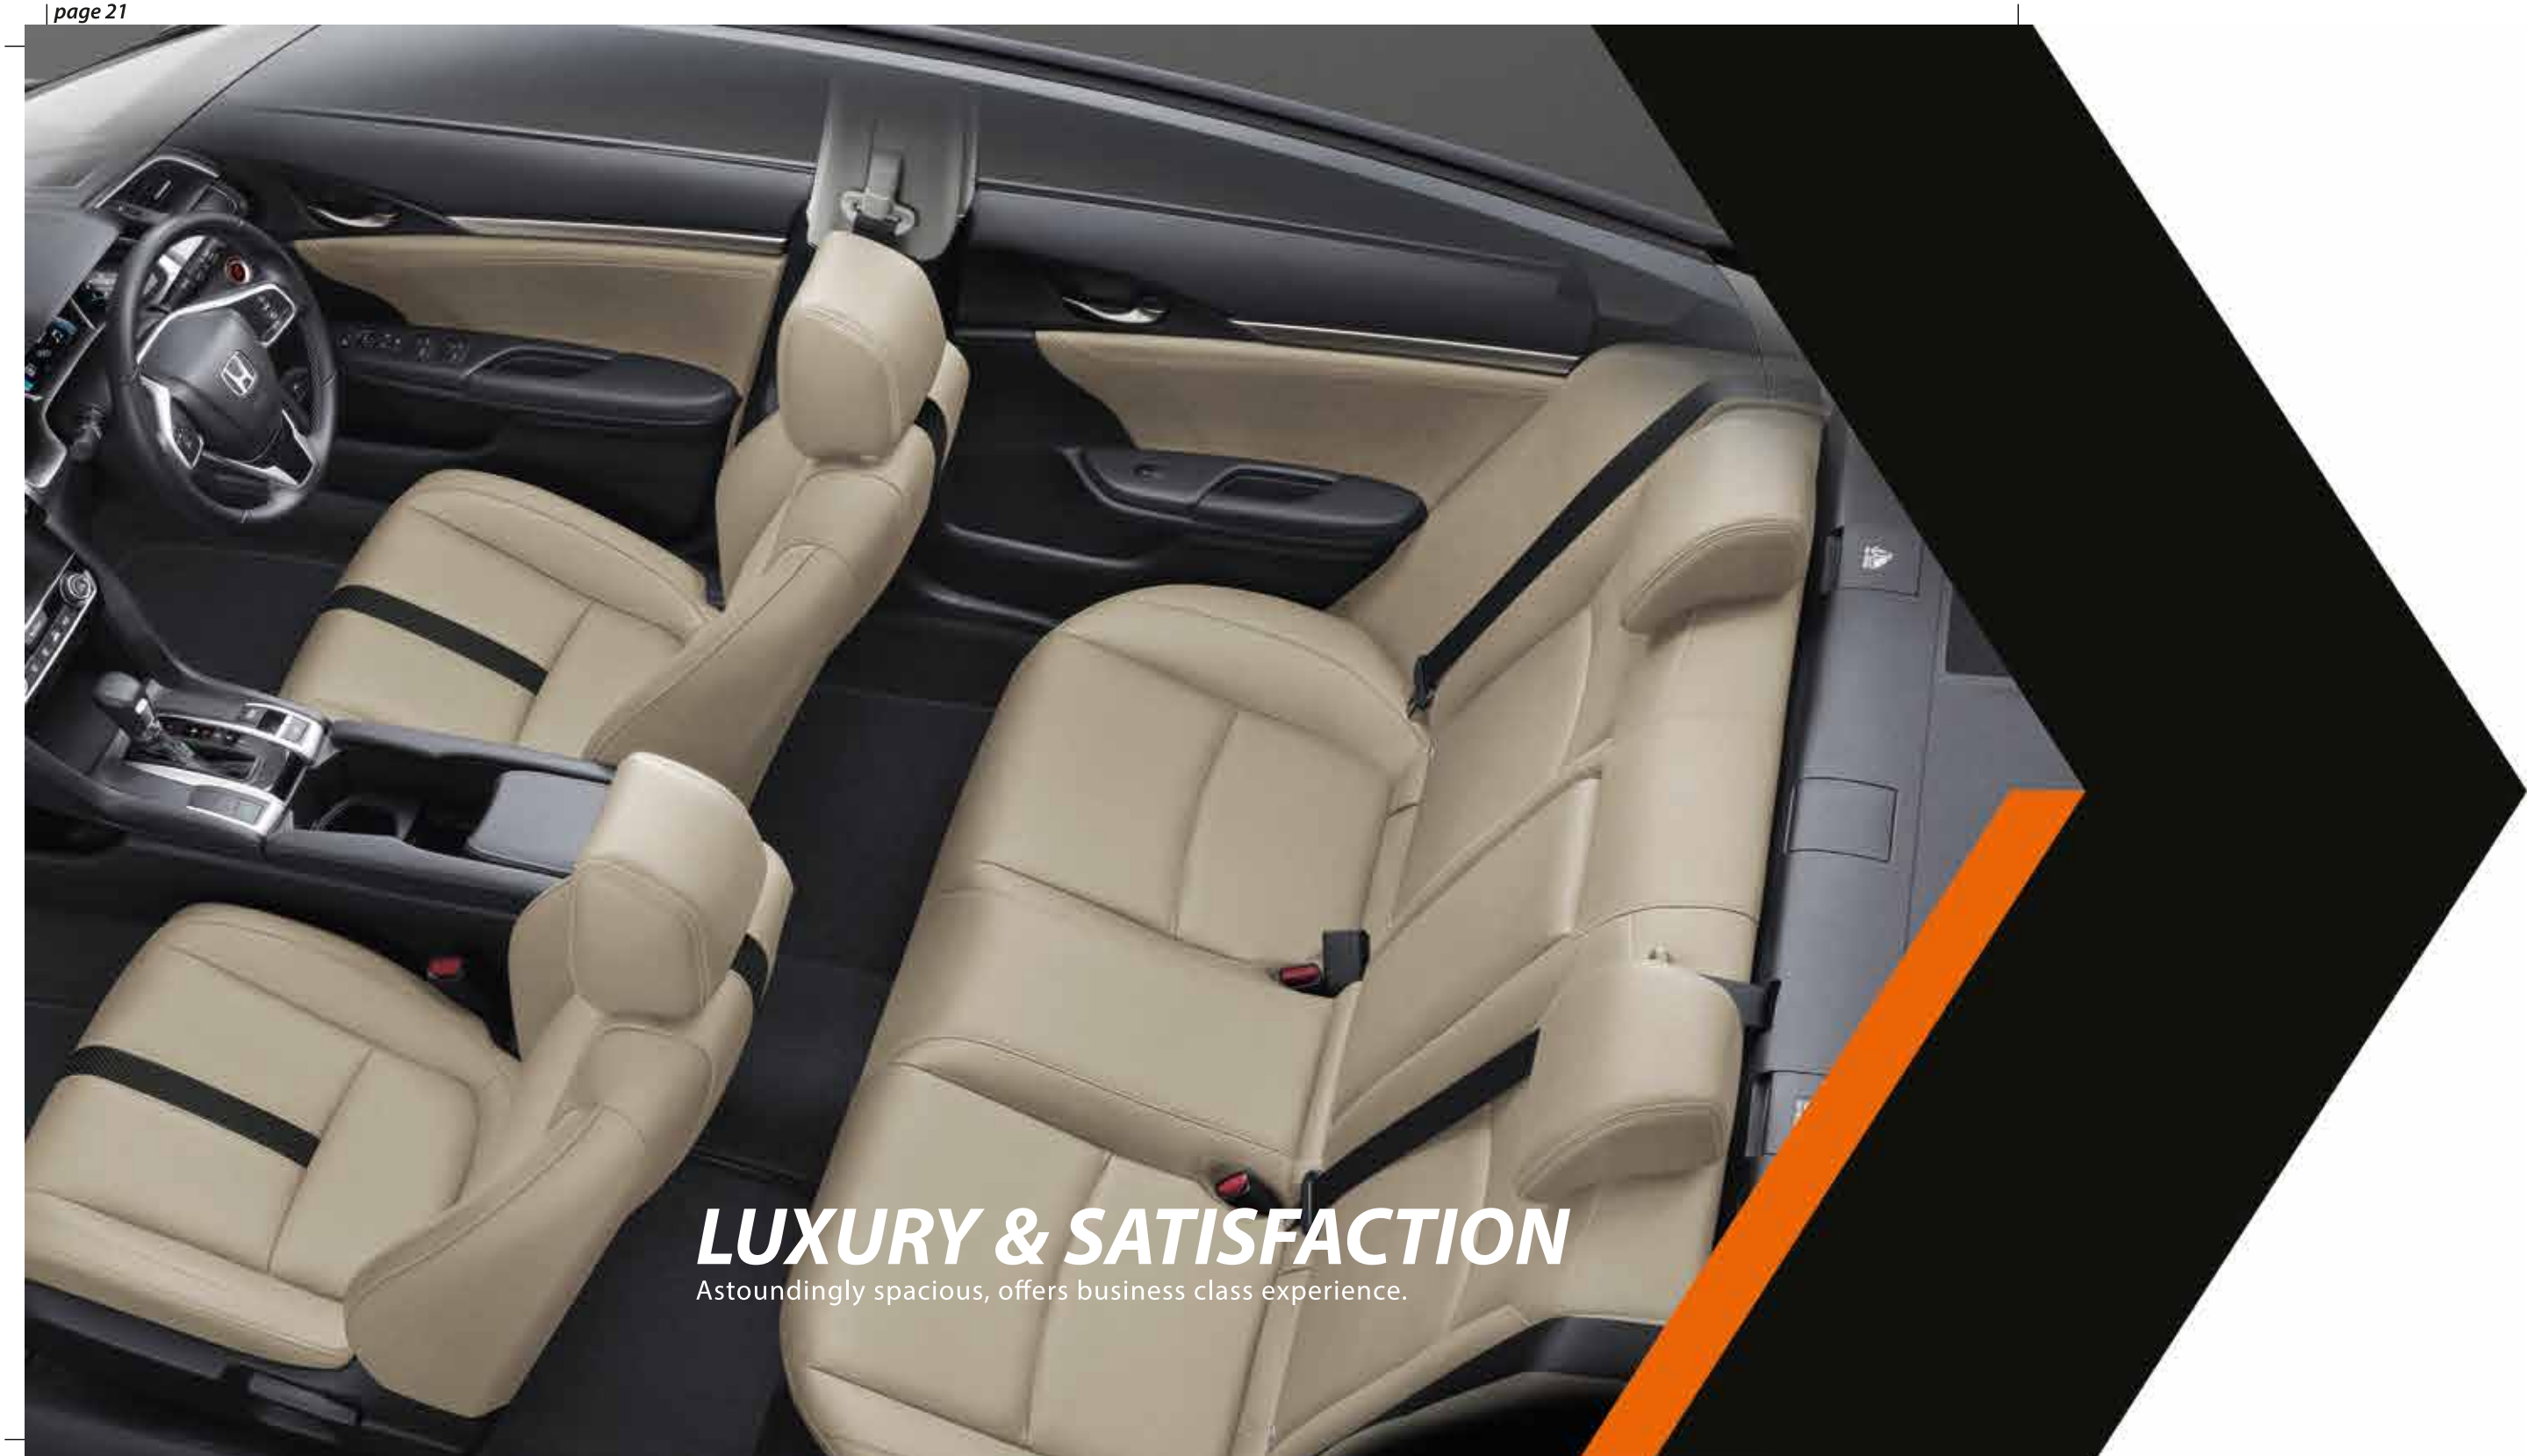

ECON
Press the ECON Button to adjust vital system that effects fuel economy such as throttle, shift maping and air conditioning

EQUIPPED & CONFIDENT

All set to rule the roads with its zealous performance.

Equipment may vary in some cases.

LUXURY & SATISFACTION

Astoundingly spacious, offers business class experience.

COMFORT

The new Civic is where luxury and performance collide. It attracts attention without being ostentatious and piques interests, inspiring others to follow.

SMART ENTRY WITH PUSH START
With the key in your pocket, the doors will unlock as you approach and the engine starts with the push of a button

AUTO AIRCON
Auto temperature control will ensure a pleasurable cabin throughout your trip

CRUISE CONTROL
Makes the furthest distances or even the roads less traveled more enjoyable

REAR AC DUCTS
Give a new meaning to temperature control making the whole cabin comfortably cool

CENTER CONSOLE STORAGE
Plenty of space for your beverages and valuables

LIQUID CRYSTAL METERS
Highly advanced liquid crystal meters ambient lights add to the aura of a great experience

CARPETED TRUNK
Fully Carpeted & Spacious trunk allows you to keep an extra pair of everything that you like for your trips

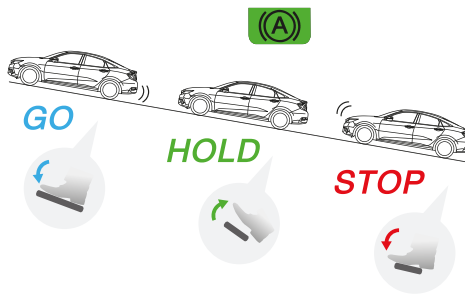

Equipment may vary in some cases.

SAFETY & CONTROL

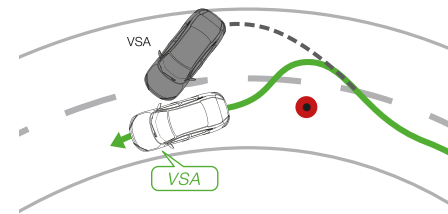

Electronic Parking Brake with Auto Brake Hold

New electric parking brake replaces the conventional hand lever with a simple, sleek switch. The Brake Hold engages and disengages parking brake with ease, brakes remain engaged at a stop until you press the accelerator

Hill Start Assist (HSA)

Prevents your vehicle from rolling backwards when starting from a stop going uphill

Vehicle Stability Assist (VSA)

Keeps your vehicle on its intended path of travel when an understeer or oversteer event occurs

Emergency Stop Signal - ESS

Relays the message of panic and emergency stop to drivers behind you, the system flashes the hazard lights as a warning

G-Force Control (G-CON)

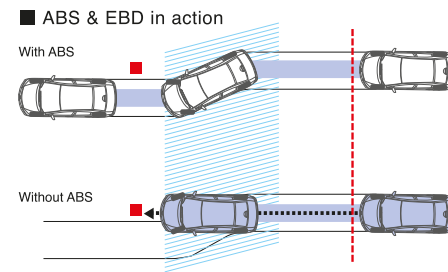

The All New Civic Engineering dissipates the energy of a crash away from the passenger compartment and minimizes the damage to other impacted vehicles

Standard for all Civic Models

DUAL SRS

SUPPLEMENT RESTRAINT SYSTEM
Inside the Civic, you'll find a sophisticated combination of passive safety technologies designed to enhance occupant safety: dual SRS airbags, and 3-point ELR seat belts with pretensioners and load limiters.

ABS

ANTI-LOCK BRAKING SYSTEM
Prevents your wheels from locking while braking hard, specially on slippery surfaces, and retain steering control

CONNECT

Navigation and Multimedia System (Optional)

The built-in multifunction navigation system has a lot to offer. It allows you to remain on track no matter where you go. The system is equipped with:

- 7 inch TFT with captive touch
- Internet connectivity
- GPS navigation system with 3D map and live search
- Multi channel AM/FM radio tuner
- iPhone / iPod connectivity for the tech savvy
- Front & Rear Camera for ease of parking
- SD Card reader allows you to view pictures and multimedia
- DVD and CD player with multi format compatibility
- USB connectivity for audio and video
- Bluetooth connectivity giving driving peace of mind
- Inner camera allows the use of Skype
- Mirror Link
- Wi-Fi / Hotspot
- Fast smart phone charging

INTERNET CONNECTIVITY

Keeping convenience in mind, you can now connect to the internet through the dash board of Civic. Just plug in a USB internet device and the console gives you a stylish touch screen browser for you to explore the world from within your world.

Equipment may vary in some cases.
